WWEBNET INC

NOTES TO FINANCIAL STATEMENTS

As of June 30, 2009

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

ORGANIZATION

BASIS OF ACCOUNTING

The Company's records are maintained on the accrual basis of Accounting. Using this method, revenue and related assets are recognized when earned, and expenses and the related obligations are recognized when incurred.

USE OF ESTIMATES

The preparation of Financial Statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

WWEBNET, INC.

(A DEVELOPMENT STAGE COMPANY)

Notes to the Consolidated Financial Statements for the period from July 1, 2008 to June 30, 2009

Note 1 - Business description and basis of presentation

Business:

WWEBNET, Inc. ("WWEBNET") which is located in Nevada, United States of America, together with its 100% owned subsidiary, Direct Choice (TV) Communications Limited, (collectively the "Company") own, market and sell broadcast software technology to major entertainment companies, as well as other targeted industries ("Clients"). The Company's product provides a software communication channel between the end consumer and the Client. Through this link the Client is able to market directly to the consumer in line with the consumer's own preferences.

The Company is focused on penetrating entities that are based in the United States and the United Kingdom, but expects to expand to other international locations as future expansion capital may permit. The Company is developing a branded broadcast channel with the use of WWEBNET's technology and distribution model via the World Wide Net. The Company has signed agreements with Comarex S.A., Venevision International and Universal Music Ltd.

The Company will continue to focus on marketing and selling the broadcasting technology into the major music and entertainment companies in the United Kingdom and the United States and is attempting to secure financing to allow for further penetration internationally.

The consolidated financial statements include the accounts of WWEBNET, Inc. and its 100% owned subsidiary. All significant intercompany accounts and transactions have been eliminated in consolidation.

Basis of presentation

The Company is a development stage enterprise since the Company has not generated revenue from the sale of its products and its efforts from its inception on May 16, 2003 through June 30, 2009 have principally been devoted to developing its product as well as raising capital. Accordingly the financial statements have been prepared in accordance with the provisions of Statement of Financial Accounting Standard (SFAS) No. 7, "Accounting and Reporting by Development Stage Enterprises".

The Company will continue to focus on marketing and selling the broadcast technology into the major music and entertainment companies in the United States and in Europe and will also continue the licensing of its proprietary business-to-business Electronic Broadcast Network Technology. It is attempting to secure financing to allow further penetration internationally.

WWEBNET, INC.

(A DEVELOPMENT STAGE COMPANY)

Notes to the Consolidated Financial Statements for the period from July 1, 2008 to June 30, 2009

Note 2 - Summary of significant accounting policies

Basis of accounting:

The consolidated financial statements have been prepared in accordance with accounting principals generally accepted in the United States of America ("US GAAP").

Use of estimates:

The preparation of the consolidated financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash equivalents:

The Company considers all highly liquid investments with maturities of three months or less when acquired as cash equivalents.

Income taxes:

There is no tax on the Company's profits in the State of Nevada. Pursuant to SFAS 109, the Company is required to compute tax asset benefits for non- capital losses carried forward. Potential benefit of non-capital losses have not been recognized in these financial statements because the Company cannot be assured it is more likely than not it will utilize the losses carried forward in future years.

Property and Equipment:

Property and equipment are stated at cost. Depreciation and amortization are computed primarily using the straight-line method over the estimated useful lives of the assets of 5 years.

Research and development:

All research and development costs are expensed as incurred and include costs of consultants who conduct research and development on behalf of the Company.

WWEBNET, INC.

(A DEVELOPMENT STAGE COMPANY)

Notes to the Consolidated Financial Statements for the period from July 1, 2007 to June 30, 2008 and the period from May 16, 2003 (inception) to June 30, 2009

Note 3 – Foreign Currency Translation

The consolidated financial statements of the Company's operations in which the functional currency is other than U.S. dollars have been translated into U.S. dollars in accordance with Statement of Financial Accounting Standards No. 52, Foreign Currency Translation. The statement provides that all balance sheet accounts are translated at year-end rates of exchange, except for equity accounts which are translated at historical rates. Income and expense accounts are translated at the average of exchange rates in effect during the period, and the resulting translation adjustment is included as a separate component of stockholders' equity and in comprehensive income or loss.
